

Electronic shield of calculating pocket power

Wand of estimating magic

Super cooled hardhat. Keeps brain from overheating during large calculations.

Superhero Cape: standard issue in safety orange

"e" for Engineero™

"e"fficial superhero Utility Belt

Atomic Compass

Power Communicator (A.K.A.= Cell Phone)

Practical machine-wash leotards

Super "e"fficial Stamp of Approval

Steel-toed workboots. Not as comfy as fuzzy bunny slippers, but teasing is considerably less in the field.

H. Van Gastero

Fear not, Engineero™ can do it all!
For there is no job, too BIG or SMALL!
